Set in the heart of the Canadian prairies we are a comprehensive, mid-sized university where the opportunities are as limitless as the horizon. Our campuses are on Treaty 4 and 6 territories - the homelands of the nêhiyawak, Anihšiniwak, Dakota, Lakota, Nakoda peoples, and Michif/Métis nation. It is our responsibility to strengthen relationships with Indigenous communities to build a more inclusive future for all. Our three federated colleges, 10 faculties, 25 academic departments, and 18 research centres foster innovative research with practical and theoretical applications. We are committed to cultivating the potential of our 16,000 students and supporting their health and well-being. We take learning beyond the classroom through work and volunteer experiences
